

GoSweetSpot

If you're in the business of dispatching customer orders around town, around New Zealand or around the world, automating as much of that process can bring big gains.

Regardless of your preferred carrier, GoSweetSpot can greatly increase the efficiency of your distribution systems.

- Ⓢ Integrates with Infusion's Customer database, speeding up order dispatch and reducing errors.
- Ⓢ Competitive freight rates.
- Ⓢ One consolidated monthly bill for all freight charges.
- Ⓢ No more courier tickets, pay only for the weight that you ship.
- Ⓢ Multiple options for each consignment, select the best fit for your shipment. Domestic Courier, Same Day Delivery, Bulk Carrier or International Courier.
