

# Infusion/Xero Integration

You've decided that your business needs the power of Infusion Software but have years of history in Xero? We have a solution!

Our new solution gives you seamless integration between Xero's financial package and all the tools available in Infusion.

- ⌚ Use the advanced features in Infusion/SPROCKIT to manage your customers, sales, quoting, jobs, servicing, point of sale, staff, suppliers, purchases and inventory
- ⌚ Simple to run utility, can be run at any time
- ⌚ Send invoices directly to Xero, removing the need for double entry or importing of files
- ⌚ Customer/Supplier statements, payments and bank reconciliations processed in Xero
- ⌚ Works with New Zealand and Australian companies
- ⌚ Invoices can arrive in Xero as Draft or Approved
- ⌚ Customer or Supplier contacts not already in Xero will be automatically created
- ⌚ POS sales are consolidated at the end of the day to a single combined invoice
